

Guidance for Participants attending WCCM in the UK Events

The WCCM in the UK would like to ensure that everyone feels safe and comfortable at our events. As a community we all have a responsibility and so we have set out a few simple guidelines which while prompted by Covid are generally applicable.

Before you arrive:

- Please do not attend the event if you are unwell in a way that will impact others.
- If you are not sure about whether to attend an event please contact the organiser.
- Please ensure that you have suitable insurance for your needs.

After you arrive:

- If you become unwell in any way please speak to the organiser.
- Face masks will be available at the venue.
- If you would like to take a Covid test, please ask the organiser.
- In the unfortunate event of a positive Covid test, appropriate action will be agreed with the organiser.

We hope that this guidance will reassure everyone and help to make our events as enjoyable as possible.
