# ANNUAL CONFERENCE 2022 TOUCH THE EARTH LIGHTLY

## Meditation and the Future of the Planet

**Speakers: Laurence Freeman OSB & James Thornton**  
**Friday 17th – Sunday 19th June 2022**

**High Leigh Conference Centre, Lord St, Hoddesdon EN11 8SG**  
(AA accredited as Covid Confident: the Centre has in place risk assessments, safety measures and staff training to operate safely within Govt. guidelines)

**The 2022 annual conference of the UK Christian Meditation Community invites all who want to deepen their understanding of the ecological emergency and find a contemplative response.**

Explore how meditation and contemplative practice can:

- awaken us to a more sustainable life
- help us to respond to the crisis
- bring hope and courage in the face of the uncertain future for civilisation as we know it.

The conference will seek to inspire meditators in their continuing practice of meditation but also extends the warmest of welcomes to all who would like to participate.

**Laurence Freeman OSB**, a Benedictine monk and Director of the World Community for Christian Meditation is the author of many books. His teaching reaches out to the world, sharing the vision of WCCM with business leaders, doctors and children; to people of all faiths and none. He brings the contemplative wisdom tradition to the critical issues of our time.

**James Thornton** is an eco-lawyer working for the planet and all living beings. He is founding CEO of ClientEarth – a global charity (220 staff) that writes laws and holds businesses and governments to account.
